Dear Ms. Santos:

This correspondence is in regards to your Freedom of Information Act (FOIA) request of January 30, 2020, in which you seek the following:

- 1. Relevant to the NAVAL FACILITIES ENGINEERING COMMAND we seek the following agency records: [1.] All analytical results associated with all samples collected by the Navy and/or its contractor(s) during the August-September 2019 "Background Soil Sampling" at Hunters Point Naval Shipyard and the one offsite location as: (A) Outlined in the Naval Facilities and Engineering Command Southwest BRAC PMO West, Final Soil Reference Background Area Work Plan, Appendix C to the Final Parcel G Removal Site Evaluation Work Plan Former Hunters Point Naval Shipyard San Francisco, CA (June 2019), and (B) Referenced in the December 4, 2019 Community Update on Hunters Point Naval Shipyard Cleanup published under "Timely Topics" on the NAVFAC H PNS site, available at https://www.bracpmo.navy.mil/brac_bases/california/former_shipyard_hunters_point/timely_topics.html*

Your request was received by this office on January 30, 2020 and assigned file number DON-NAVY-2020-004109. We have identified one document which is responsive to your request and it is released to you in its entirety via FOIAonline.

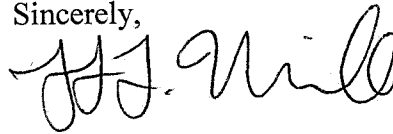

For the purposes of assessing fees, we have placed you in the "commercial" requester category, and as such have assessed both search and review fees. For your request, we incurred search and review fees in excess of \$55. As you indicated a fee limitation of \$55, an invoice detailing search and review fees for \$54 is enclosed and is payable at this time.

For any further assistance regarding any aspect of your request, you have the right to contact the Department of the Navy FOIA Public Liaison, Mr. Christopher Julka, at Christopher.A.Julka@navy.mil or 703-697-0031. Additionally, you have the right to contact the Office of Government Information Services (OGIS) to inquire about the FOIA mediation services they offer. The contact information for OGIS is: Office of Government Information
